#### EXCITING NEW PARTNERSHIP ANNOUNCEMENT BETWEEN QUANTIPARTS AND MOTOR-SERVICES HUGO STAMP, INC.

Motor-Services Hugo Stamp, Inc. has been appointed distributor for QuantiParts in the USA

**Fort Lauderdale, Florida, August 2018** – Motor-Services Hugo Stamp, Inc. (MSHS), an authorized service center and parts distributor for most of the major European manufacturers, has announced that it has finalized a distributorship contract with QuantiParts, a Wärtsilä company.

MSHS caters to and is known for its excellent service capabilities and extensive inventory of diesel engine spare parts for the Maritime, Offshore, Oil & Gas and Power Generation industries. With access to original manufacturer's drawings and data, MSHS can quickly and precisely identify needed spare parts and offer the most efficient solutions for its customers.

QuantiParts offers OEM parts for classic Wärtsilä engines, including Stork Werkspoor Diesel, Deutz, Deutz MWM, Bolnes, Sulzer A/S 4 stroke, SACM, Poyaud, Crepelle GMT and Wärtsilä Diesel VASA 14/24. New, remanufactured or pre-owned parts are available to keep engines operating. QuantiParts is known for providing cost-efficient solutions and for delivering the right part on-time.

"We are delighted to be working with QuantiParts," says Frank Friesecke, MSHS Vice President. "The alliance with QuantiParts, one of the leading OEM Spare Parts providers in the marine diesel spare parts market, gives MSHS the opportunity to provide OEM support and authorized representation for legacy Deutz and MWM engines. It also expands our services and spare parts offerings to other US Diesel engine operators with QuantiParts products."

**Motor-Services Hugo Stamp, Inc.** was founded in 1983, Motor-Services Hugo Stamp, Inc. (MSHS) provides turnkey solutions for the maritime, offshore, oil & gas and stationary power industries. Pursuit of engineering excellence and commitment to customer service has enabled MSHS to establish and maintain relationships with customers worldwide, supported by MSHS partnerships with leading engine and turbocharger OEMs. Learn more at: [www.mshs.com](http://www.mshs.com).
